***March 2006***

## **Message from the Manager**

The federal portion of our program is not intended for the general public. All items acquired from the federal side must be used for your organization only. State property can be sold to the general public. We can and do hold back some state items in which our approved donees have expressed interest.

We auction some state items on EBay. Our seller name for sale of state property is Ndsurplusproperties. To find us, go to [www.ebay.com](http://www.ebay.com) and click on Community. Type in our seller name and if we have items listed, they will show.

We also auction some federal property on [www.ebay.com](http://www.ebay.com). The procedure to find our federal EBay seller name is the same as above. Our federal property seller name is NDSASP. We also auction federal property on [www.gsaauctions.gov](http://www.gsaauctions.gov).

We will receive Meals, Ready to Eat (MRE's) sometime in the middle to the end of March. There are 12 individual assorted meals per case. The price per case is \$16.00 which comes out to approximately \$1.33 for each meal. They will be available only to our eligible organizations and for approved use. If interested, please contact Arlana at 328-9665 and she will put your agency on our list for the MRE's.

Enclosed in this newsletter is a Customer Service Survey. Please take the time to fill it out and send it back. Your feedback is important to us.

We have a new employee here at Surplus Property and his name is Jerry Renner. He has over 35 years in the public sales arena and is a wealth of knowledge and a great sense of humor. Come in and meet Jerry.

We have been swamped with desks from the state Health Department. We have at least 60 on hand. They are a bargain at \$10.00 per desk. They are in excellent condition and will be serviceable for generations to come.

If you have any questions on any of our property and would like more information, please contact Jerry, Alan, Arlana or Ron at 701-328-9665 or 328-9666. If you prefer, email Jerry at [jlrenner@state.nd.us](mailto:jlrenner@state.nd.us), Alan at [abrinkman@state.nd.us](mailto:abrinkman@state.nd.us), or Arlana at [apatton@state.nd.us](mailto:apatton@state.nd.us).
